HARLEY DAVIDSON RENTAL TERMS AND CONDITIONS:

We only rent our bikes from authorized Harley Davidson rental dealerships. The rental rates are inclusive of comprehensive insurance cover. All rentals are subject to the respective rental dealerships terms and conditions which will be provided on confirmation of booking. The rental agreement is between the hirer and the respective rental dealership and not between SAMBA Tours and the respective rental dealership!

- Hirers must be in possession of a valid driver's license at the time of commencement of the agreement. The minimum age of the hirer shall be 25 years old. The hirer's driver's license must have been valid for a minimum period of 2 years.
- Petrol is not included in our rates. Bikes are delivered full and the hirer shall return the bike full. If the bike is not filled on return, the hirer shall be charged an extra R300-00. (Fuel is included in the trip price and we will refuel bikes before returning them to the dealership)
- All bikes are subject to our standard hire agreement. Rates and conditions of hire are subject to change without notice.
- The minimum charge period will be one day. Rates are calculated from the time the bike is placed in the hirer's possession to the time that it is returned to the possession of the rental dealership by drop off or collection as the case may be. Extension of the hire period beyond the originally agreed date of termination must be arranged by the hirer by contacting and must be prepaid. Failure to do so will mean the bike is not insured and, in the event of the bike being damaged or stolen, the hirer will then become liable for the cost of the repair of any and all damages to the bike of any nature whatsoever or the replacement cost of the bike. The decision whether to repair or to replace a damaged bike shall be in the sole discretion of the rental dealership. Where a dispute arises the hirer shall bear the onus of proving a valid and authorised extension.
- No bikes may be taken across any South African border without the prior written permission of the rental dealership. (This will be arranged for Swaziland and is included in the trip price)
- NO RIDING ON DIRT ROADS, IN A TEST, RACE OR CONTEST.
- The insurance excess is R10 000-00. When the bike is damaged or stolen the hirer hereby agrees to be solely liable for any loss or damage up to the excess amount of R10 000-00 (TEN THOUSAND RANDES)
- An excess deposit is payable at the commencement of the agreement of hire and will be refundable on condition that the bike is returned to rental dealership in the same condition in which it was handed to the hirer.
- The rental dealership bears no responsibility for personal injury or loss of property by the hirer.
- The rental dealership reserves the right to claim payment of rental and insurance in advance.
- All costs or charges incurred in respect of the recovery of any outstanding amount or where it becomes necessary for the rental dealership to consult attorneys regarding any breach by the hirer of any provision of this agreement whatsoever including attorney/client fees, collection commissions and tracing agents fees shall be borne by the hirer.
- Any approval by the rental dealership to any bike being left for collection at any place other than at the rental depot will be strictly on the basis that, should the bike be stolen or be collected and not be found in the same condition in which it was received, the hirer agrees to be liable for the total cost of restoring the bike to the condition in which it was received or for the replacement as the case may be.
- A valid credit card or cash deposit accompanied by the signed contract and payment in advance for the term of the rental period is required by all hirers before the contract may commence.
